COMPREHENSIVE UPDATE SERVICE

VIDEC SECURE

Keep Your System Up to Date

Stay one step ahead of your competitors! Maintain your competitive edge and always use the latest version of your software.

Our products are constantly updated and optimized—several times a year. Updates to the latest version are needed more often than you might think. This always involves costs that are difficult to calculate.

VIDEC offers comprehensive service packages for many of its products. As a Secure Partner, you have the opportunity to always use the latest version of our software. You can request it from us at any time—at no additional cost.

Our Service – Your Benefit

SECURE: Protection against unpredictable update costs for outdated systems

TRANSPARENT: Fair contract terms and clear information on renewing or canceling our Secure services

CONVENIENT: 12-month term with automatic renewal for an additional 12 months (3-month notice period)

READY TO USE: The update is delivered within 1–3 business days (depending on the product)

UP-TO-DATE: Regular email updates on the latest features and product versions
