

OUR EXPERTISE AT YOUR SERVICE

TRAINING & WORKSHOPS

Turning skilled workers into specialists

In-depth knowledge is the foundation for the efficient use of business-critical software. By providing targeted training for users and administrators, you not only increase the level of knowledge within your company, but you also save valuable time.

Whether you're starting from scratch or looking to refresh your skills—with VIDEc's training courses and workshops, you'll create the ideal conditions for yourself and your employees. Choose from a wide range of training options covering various products and topics, or take advantage of our training programs tailored to your specific needs.

Your benefits

No matter what type of training or workshop you choose, VIDEc Training offers a range of benefits for you, your company, and your employees.

Flexible—at your location, at VIDEc headquarters in Bremen, or online

Cost reduction for your business

Getting the most out of your investments

Quality improvement

Small groups for high-quality training and the best learning outcomes

Practical exercises for immediate use

The extensive expertise of VIDEc's qualified trainers, combined with their many years of experience in the training field, ensures an optimal learning environment. Simply put: We're happy to share our knowledge with you.

Flexible concepts

- ▶ **Standard training courses**
The basics of the product: set-up and use.
- ▶ **System training courses**
In-depth product knowledge for users who are already familiar with the product.
- ▶ **Project-based training courses**
Programmes tailored to the customer's specific needs for current projects.
- ▶ **Consultancy & concept development**

AT A GLANCE

VIDEC TRAINING COURSES & WORKSHOPS

GROUP SIZE

From 2 to a maximum of 6 people. For project-based training courses, a maximum of 3 participants.

TRAINING FORMAT

We offer our training courses as face-to-face or online sessions.

TRAINING METHOD

Seminars with a workshop-style format, incl. case studies, discussion and the exchange of experiences.

TRAINER

Our trainers have undergone qualified training and have many years of professional experience.

SEMINAR MATERIALS

To assist with the training, we provide you with the relevant training materials.

CERTIFICATES

Each participant receives a certificate of attendance as proof of qualification.

TRAINING VENUE

In Bremen: Our training courses usually take place in the seminar rooms at VIDEc's head office in Bremen. A key advantage of this is that staff are not disturbed; the atmosphere is relaxed and ideal for taking in information. Refreshments are, of course, provided.

At your premises: We are also happy to visit you on-site. If required, we can provide the necessary computer systems for a fee.

Online: From the comfort of your own desk.

SPECIAL FEATURES

Simply bring your project to us. We will provide you with practical advice, address your specific needs and offer you solutions through a bespoke training session.

Tailored to your needs

Can't find the right training course? Do the available dates not fit in with your schedule? Do you need more in-depth knowledge beyond the content of our seminars? Would you like us to come to you?

Then please get in touch – we'd be happy to arrange a personalised appointment with you and organise training courses specifically tailored to your needs, including on-site at your premises if you wish.

(PLEASE NOTE: Additional costs may apply.)

You can find all the dates for our current training programme on our website at [videc.de](https://www.videc.de).

Please submit enquiries online at [videc.de/en/services/training/](https://www.videc.de/en/services/training/) or by email to sales@videc.de. If you have any questions, please feel free to contact Jennifer Zimmermann on +49 (0)421 339500 or at jennifer.zimmermann@videc.de.
